

FOR IMMEDIATE RELEASE:  
JANUARY 09<sup>th</sup>, 2020

## **Engineering Technology Corporation (Salt Lake City, Utah, USA) Announces Transition to @ETCWINDERS.COM Domain**

Engineering Technology Corporation, a global expert in the filament winding industry, previously known as “Entec”, has accomplished rebranding and has transitioned to **@etcwinders.com** from the former domain **@entec.com**. This change will help to bring consistency with its recently launched website [www.etcwinders.com](http://www.etcwinders.com) and help to provide security and convenience in communication.

Employee email addresses have been updated to the new domain. For instance: **name.family@entec.com** is now **name.family@etcwinders.com**.

Engineering Technology Corporation will update its emails on all available sources. Please update your records accordingly. However, the prior emails domain will remain active.

If you have any questions about this change, please send it to [service@etcwinders.com](mailto:service@etcwinders.com). You will receive a response within 2 business days.
